art dance the HERON theatre music film

### July/August Programme

Friday 6th July **FILM AT THE HERON** 7.30pm  
**Heal the Living** French subtitled (2016) [12A] - 1 hour 44 mins

A teenager's surfing road trip ends in tragedy; a woman learns that her heart will soon fail; two teams of surgeons attempt to save lives. Following a human heart from donor to recipient this moving film weaves three stories together

Friday 20th July **FILM AT THE HERON** 7.30pm  
**The Shape of Water** (2017) [15] - 1 hour 58 mins

Oscar Best Picture Winner. Set in Cold War America it tells the story of a mute and lonely cleaner in a secure laboratory who discovers an experiment and becomes smitten with a scaly underwater beast. Comedy/thriller

Friday 3rd August **FILM AT THE HERON** 7.30pm  
**Phantom Thread** (2018) [15] - 2 hours 7 mins

In post-war London a cantankerous dress designer (Day-Lewis) and his sister are at the centre of British fashion, for royalty and film stars. Then a young woman appears and his carefully tailored life becomes disrupted by love

Friday 31st August **FILM AT THE HERON** 7.30pm  
**Darkest Hour** (2017) [PG] - 2 hours 5 mins

Gary Oldman & Kristin Scott-Thomas star in the Oscar Winning story of 4 weeks in 1940 during which Churchill's courage changed the course of history. With the fall of France imminent Britain faces its darkest hour

Select your seats and book online at [www.theherontheatre.com](http://www.theherontheatre.com)  
Tickets £5. Doors and Bar open at 6.45pm

ST MICHAEL AND ALL ANGELS, BEETHAM

JULY & AUGUST 2018

*"What's in a name", asked the Bard.*

Well, quite a lot where July and August are concerned. These two months, unlike the other ten months of the year, are named after historical figures, real flesh and blood people. The month of July is named after Julius Caesar, the most famous Roman general, who is known to have visited England in 55 and 54 BC. Julius Caesar was born in the month Quintilis (fifth month) and his birth month was renamed to honour his military exploits and his political leadership. The month of Julius became the seventh month of the year when the Julian calendar was introduced (by Julius Caesar!) in 46 BC.

August was formerly known as Sextilis (sixth month) in the Roman calendar, the sixth month from March, which is when the year began (January and February were added later). The month was renamed Augustus in 8 BC in honour of the first Roman Emperor. Augustus, also known as Octavian (complicated isn't it?), was the great-nephew and nominated heir of Julius Caesar. Augustus (Octavian) considered it his 'lucky' month: it was the month in which he first became Consul of Rome and also the month in which he brought to an end the civil wars which had ravaged the fledgling Roman state.

In Latin the name Augustus means magnificent and there can be little argument that, in nature at least, August is a magnificent month. The days are still long, the summer sun (yes, I know!) has warmed the sea and the land and growth is at its luxuriant best, with the promise of an abundant harvest to follow. July and August together form the heart of our summer and mark the turning point between the early promise and growth of Spring and the maturity and fulfilment of Autumn.

These months have witnessed many major historical events: in 1776, on July 4th, the American Declaration of Independence asserted the sovereign independence of the former British colony; on 14th July 1789 the storming of the Bastille is generally recognised as the first major event of the French Revolution and the major upheaval and shift of power that it came to symbolise. On 20th July 1969 Neil Armstrong spoke those immortal words: "One small step for a man; one giant leap for mankind" as he set foot on the moon.

In the Church's year July and August are in 'Ordinary Time'. This is the official designation of the period between Pentecost and Advent, sometimes referred to as 'weeks after Trinity' and 'weeks before Advent'. Although there are numerous Christian feasts during Ordinary Time, in the months of July and August there is only one: The Transfiguration of our Lord. This is an important festival in the Christian Church, marking as it does the recognition of Jesus by his companions as the son of God, as a deistic being: human but godly.

As I write, we are looking forward to the next stage in the process of finding our new priest for St Michael & All Angels. We have produced our Parish Profile: this is the document which shows what we are, who we are, what we believe, what we are looking for. It says, this is Beetham St Michael & All Angels: we have a lot to offer. Please come and help us to grow as a church, as a community, as individuals. The advertisement has been placed in all the relevant places and we are anticipating a busy time as we read, sift, prioritise, invite, greet, interview and hopefully appoint the person who will become part of our church, our village, our community. By the time you read the September edition of Gateway, we shall know who this person is to be.

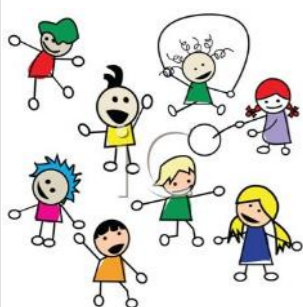

Half of the year is now behind us. What do the next couple of months hold for us, apart (hopefully) from the appointment of a new priest? Well, the promise of summer holidays; a welcome break and chance to recharge the batteries; a chance to spend 'quality time' with friends and family free of the constraints of the working week and the school term; the chance to experience new places and make new friends; the chance to draw breath after the hectic months of the first half of the year and to look forward to the opportunities and challenges of the months to come. Enjoy.

## Bygone Beetham ~ Beetham School Playing Field

The exciting news last month that the village end of the Beetham Sports field is now officially part of Beetham CE School brings the educational use of that area full circle

The oldest recorded school in Beetham was located on the corner of Stanley Street (circled) opposite Ashton House. The small school had been there since 1610, and rebuilt twice in 1633 and 1820. Next door there was a cow shed and stable, and a brew house and peat house further up the road. All of these buildings were demolished around 1840, as John Yeats Thexton, son of the Revd Joseph Thexton and owner of Ashton House, wanted to move the road away from the front of his house to the route of the Slackhead road as it is today

Revd William Hutton's Beetham Repository records "in July 1841 the old school in the village of Beetham was taken down and a new school was built by John Yeats Thexton esq., at his own expense, near the Turnpike Gate House, and open on the 12th day of September following"

Yeats Thexton's school - now The Heron Theatre - was extended in 1871 and further improved, but was deemed unsuitable for education. The present school was built in 1904 in the old Toll House on land on the opposite side of the road donated by Maurice Bromley-Wilson of Dallam Tower. The 'new' playing field gives a wonderful addition to the school facilities. Welcome back home Beetham School!

## Handbell Holiday

Following the generous donation from the Beetham Sports Committee last year we are pleased to report that the new large bell (C#) has now been cast by Bells of Whitechapel

The next step is to tune the new bell to the existing set of bells. As a result, four bells have been taken down to Kent for several weeks, and will also have some maintenance work carried out on them whilst they are there

We are looking forward to the return of the bells - at the moment the missing bells in any piece are simply filled in by some judicious La La's by the relevant ringer...

**Beetham Village Coffee Morning**  
**Wednesday 4th July**  
**in the Church**

**Pop in for delicious homemade cakes, coffee and chat**  
**There is no charge & all are welcome**

## Friends of Beetham Church

The Friends of Beetham Church invite you to join in more fundraising activities planned for this year. Some dates for your diary are shown below, but there are also other events coming up. Look out for more details in The Gateway and on the What's On page of our website

**Everyone welcome, especially visitors!**  
- limited seating - bring your own if you can

## Church Quinquennial Inspection

Within the Church of England every church building must be inspected by an architect or chartered building surveyor approved by the Diocesan Advisory Committee (DAC) every five years. This is to ensure that church buildings are kept in good repair

The latest inspection for St Michael & All Angels was due this year, and was carried out in June by our Church Architect, Mike Darwell. The inspection looks at all aspects of the fabric of the church, both inside and out (and on the roof!)

A detailed report is then produced of the condition of the building, giving prioritised recommendations for any repairs or maintenance that need to be carried out over the next five years

The quinquennial report is one of the key documents which assists our Parochial Church Council (PCC) in the care of the church, for which it is legally responsible. The report is read by the DAC, the archdeacon and by any grant-giving bodies which the PCC approaches. We await the outcome of this year's inspection with interest...

# School Corner

It hardly seems possible that I am now writing the final School Corner of our academic year. It doesn't seem a moment since we were welcoming our new Reception children and now they are moving to Year 1 and we are getting ready to say good bye to another group of children in Year 6. Our Leavers' Service takes place in church on Wednesday 18<sup>th</sup> July at 2pm and we would like to welcome the church and village community to this special service where we think about the wonderful memories that have been created and wish the children in Year 6 good luck for the future.

Talking of wonderful memories.... The 6<sup>th</sup> June saw a group of 25 children and 10 adults travel to the Royal Opera House in London for a performance of Swan Lake. This was organised by one of our parents and the matinee performance came free with a travel grant to enable us to go. When we arrived having taken the train and tube we were treated to a very special lunch experience where 'swans' mingled amongst the children and a quartet played excerpts from the ballet. We then couldn't believe our luck when we were seated in boxes - 3 pupils and an adult - just along from the Royal Box. The performance itself was spellbinding with amazing dancing, costumes, scenery and a full orchestra. Everyone had the most wonderful day and it was a privilege to take such an enthusiastic and impeccably behaved group of children to a really fantastic performance which I'm sure they will remember forever.

KS1 were lucky enough to have an outdoor morning at Trowbarrow organised by the AONB. They built dens, studied wildlife and plants and took part in a scavenger hunt as well as enjoying Forest School games and activities. The children in Yr 1 & 2 are now looking forward to a visit to Tree Top Nets at Brockhole next week. Mrs Tattersall's class are busy looking after some caterpillars. The children have been able to watch them grow and change into cocoons. They are now hoping that they will hatch into beautiful butterflies before the end of term so that they can be released into our garden.

Yr 5 & 6 spent a wonderful few days in Edinburgh with the children from Old Hutton School. They stayed in a hostel just off the Royal Mile and visited as many attractions as possible during their four days: Edinburgh Zoo, Mary King's Close, Camera Obscura, Scottish Parliament, Holyrood House, Calton Hill, The National Museum and the Museum of Childhood. In addition they climbed Arthur's Seat, went 10 pin bowling and ate out in restaurants each evening. This was the first residential to Edinburgh for our school and it was a huge success with both staff and children and definitely an experience we would like to repeat!

So as always in the run up to our end of term I would like to thank the church and village community for their support during this year and I look forward to keeping you up to date with everything that goes on at our village school in the new academic year.

Thank you from everyone at Beetham CE Primary School  
Best wishes for the Summer,  
Wendy Nicholas

# Beetham & Beyond

Beetham WI

Celebration Tea

**BEETHAM WI**  
CENTENARY  
1918 - 2018  
100 YEARS

# What's On Guide

## Beetham WI – A Busy Month!!

In early June we welcomed members of Hutton and Howick WI to Beetham. This was part of our challenge to link with other WI's who are 100 years old in 2018. The day started well with refreshments in the church, whilst Brian Smalley gave a short history of the magnificent building. There followed a local walk, with a late lunch duly taken in The Wheatsheaf and enjoyed by all.

Presentation in church

'Any idea what is happening?'

The festivities continued later in June with a celebration tea on the school field, which was accompanied by Arnside Ukelele Band. With the magnificent new sports committee marquee, we

were able to seat over 80 past and present members of Beetham and local WI's, plus invited guests from the village. Everyone had an enjoyable and happy afternoon – even the unexpected few hours of heavy rain did not dampen our spirits.

'Well there are lots of people looking...'

Long may the fun continue!  
Sarah Easton, WI President

## BEETHAM & HALE VILLAGE SPORTS 2018

Childrens' Fancy Dress Competition

Judging starts at 1.15pm on the Field  
Free entry to the Sports for each child in Fancy Dress

What amazing weather we are having and it looks as though we have a summer at last. It is a strange coincidence that it has been fair since the success of the flower festival this year. A veritable feast for the senses. Beetham's own Band was very much on show throughout the weekend. We were having a great time and I hope everyone could see that.

That is how we are. Music feeds the soul in a unique way. It breaks down barriers and relieves stress. You make new friends, strengthen bonds already forged. You create music. It is special and it is on your doorstep at Beetham Church every Saturday at 10.30am. We have been very generously allowed to practice there. It is perfect and cool in this hot spell.

How can we tempt you ? It is NEVER TOO LATE TO LEARN.  
YOU NEVER FORGET HOW TO READ MUSIC. YOU ARE NEVER EVER TOO OLD.

If that is not enough to entice you the Cumbria music hub has an instrument loan scheme.....

Should that not be enough there is talk of band waistcoats.....

It is all good.

Please feel free to call me, Tess, on 015395 63254 for more information.

Residents of Carr Bank will be glad that their wrecked bus shelter has now been replaced by a smart new one; as we hoped, the full cost of this has been met by the third party responsible for the damage. We are pleased with the effect that the new 'smiley' speed indicator device (SID) on Sandside promenade is having on traffic speeds and arrangements are now almost in place to recover the valuable statistical data recorded by the equipment. This will then be passed to Storth School for analysis under the supervision of Mrs Jessica Harvey, a former BPC member, who is keen to promote awareness amongst the children of how this information can be used to reduce traffic accidents – and, of course, to save lives.

Another project has also been successfully completed. Users of the B5282 at Sandside will have seen that the so-called orchid triangle at the end of Quarry Lane is now protected by boulders provided free-of-charge by the quarry and worked into position by AONB volunteers and others. The site is already attracting visitors, keen to view and photograph the rare orchids. The new information panels are now with us and remain to be framed and erected at the three nominated sites in the parish – Storth Village Hall, Four Lane Ends crossroads and Beetham village centre. We are sure that residents and visitors alike will find them both attractive and informative.

Interest in the commemoration of the end of World War 1 is starting to grow, as the one hundredth anniversary nears. The schools at Beetham and Storth, and Wings School at Whasset, are now all engaged in producing plans for what form this commemoration might take. For its own part, the parish council is happy to join in to help with any such plans. Councillors have also shown interest in the 'silent soldiers' scheme adopted by some parishes elsewhere in the country. This is use of life-size silhouettes of WW1 soldiers, placed at key points through the parish – both indoors and outdoors. We hope to have more news of this project in the next edition of our newsletter.

The defibrillator project for Beetham village drags on. As you will be aware, the main problem has been finding a suitable central location for such equipment. There is concern that, whereas the Storth area is well served with this life-saving equipment, no such facility yet exists in Beetham – except in Beetham school, which is too far removed from the village centre to meet the criteria for general use. However, we hope to report in our next edition that this problem has been resolved and we can proceed with providing this vital facility for Beetham residents and the many visitors who come to enjoy our parish.

There is no further news about the Beetham sports field but it is hoped that a meeting with the authorities responsible will soon take place to discuss measures to deal with future flooding risks, particularly at Parsonage Fold and Stanley Street. A meeting earlier in the year between Cumbria's Police & Crime Commissioner and representatives from local parishes proved useful in getting to know the man in the hot seat; we heard about his priorities and problems and he listened to ours.

Finally, there has been interest in the BPC vacancy for an additional member to represent the East Ward of the parish, following the resignation of Cllr Pru Jupe. We hope to finalise an appointment over the coming weeks and will report fully in our next newsletter.

Clerk: Mr J R Scargill 01524 782811  
Chair: Dr B C Meakin 015395 65722

## Beetham Parish Council

The next meeting will be on
