JULY & AUGUST 2019

'Standing on the Shoulders of Giants'

On 21st July 1969 Neil Armstrong became the first human being to set foot on another world. Armstrong's words as he stepped down on to the surface of the moon have become the stuff of legend and the course of human history was changed forever as millions watched grainy images on their television sets or followed on the radio the relayed voices from Mission Control in Houston and from the Apollo space capsule. It was just before 3.00 am in England when Armstrong took his 'small step for [a] man'.

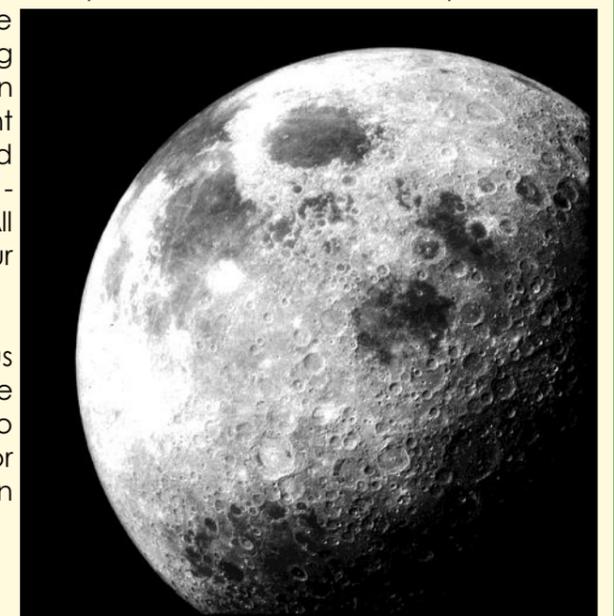

It was a historic moment and symbolic of the aspiration that has inspired men and women throughout the ages to wonder, to question, to explore and to challenge. The world we live in today would have been unthinkable for our ancestors only a few generations ago. I remember my own great grandfather (who lived to a ripe old age and thus gave me the chance to meet him) refusing to believe that a moving image on a screen was not a trick. Well, of course, it was a 'trick' but a trick brought about by advances in science and technology that he, and our common antecedents, were unable to imagine.

What is amazing, though, is that it is now 50 years - half a century - since that magnificent triumph of human ambition, courage and technology enabled Neil Armstrong's 'giant leap for mankind'. Sir Isaac Newton, in a letter to his friend and rival, Robert Hooke, in February 1676 wrote: "If I have seen further it is because I am standing on the 'sholders' (sic) of giants", modestly acknowledging that his own great achievements in mathematics and science were merely a progression from the work of others. Neil Armstrong's small step, even though it was also a 'giant leap', was made possible by thousands of other small steps made by the great thinkers and innovators of the past. Now here is a sterling question for you: where can you see on a daily basis the quotation 'Standing on the Shoulders of Giants'? *Answer on page 5*

What is the significance for us today of the events of 22nd July 1969? Well, I think it always useful to remind ourselves what mankind is capable of when we work together with a common aim. It is both humbling and uplifting to remind ourselves that progress in medicine, science and technology is often dependent on an individual human being having the curiosity and the vision to wonder, to question, to imagine, to dream - and then to experiment, to challenge and to learn. All the qualities, in fact, that we try to nurture in our children.

As we enjoy the coming months of summer, let us remember to look up at the moon from time to time and reflect on the events of that summer 50 years ago when our place in God's universe subtly changed for ever with the realisation that we are not confined in either our imagination or our world.

Beetham WI '100 Challenges'

Walking up mountains and a volcano, cycling many miles, running races, supporting charities, learning new skills and completing a wide range of craft and cookery projects (and winning trophies at the Westmorland County Show) are just some of the many personal and group challenges our WI members have been undertaking during this past year.

Our '100 Challenges Board' was created as part of our 2018 Centenary Year's Celebrations and is now close to completion. As well as the sense of achievement individuals have gained, members have had great fun taking part in many of them together, all celebrating the wide variety of talents they all have. A record of all these challenges - and our Centenary Year of celebrations - has been compiled into a photo album and scrapbook, which has been added to our archive collection. Very well done to every member who has worked so hard to make the '100 challenges' such a success.

the WI INSPIRING WOMEN **Beetham WI Summer Splendour**

A 'touch of Summer', in the form of an interesting **flower demonstration**, brightened up Beetham's WI meeting on the 4th June, whilst it poured with rain outside. Speaker and demonstrator, Joan Bentley, kept members interested with a m u s i n g anecdotes and plenty of tips and advice which made it all look very easy.

The beautiful arrangements were greatly admired and 5 of them were raffled with proceeds going to the **North West Blood Bikes**, who will be giving a **Talk** at our next meeting on **Tuesday 2nd July**.

There will be no monthly meeting in August as members enjoy a day trip away but a **Craft Session** will take place on **Tuesday 20th August**. June's **Craft Evening** was very productive with a variety of shopping bags being made.

September's meeting will be a **Talk** by the Reverend Ian Greenhaigh about **Military Chaplaincy** on **Tuesday 3rd September 2019**. All WI get-togethers are at the **M:Hub, Milnthorpe 7 - 9 pm** - Guests welcome.

**Warton Crag Community Day**  
**Sunday 7th July**

Arnside & Silverdale Area of Outstanding Natural Beauty Partnership is working with Lancashire County Council on an exciting new initiative on Warton Crag Local Nature Reserve, and local people are invited to find out more at a community day on Sunday 7th July.

The day will run from 10.30am-3pm and give people chance to find out more about plans to improve the car park and create a visitor gateway to the area, give their input and find out how they can get involved. There will be family activities taking place and the opportunity to learn more about the recent archaeological and habitat improvement work, and the amazing biodiversity of this popular local beauty spot.

# School Corner

We now have only three action packed weeks left until the end of term - no-one at school can quite believe that this year is nearly over! We still have our sports day, summer production, art exhibition, moving up day, Leaver's Service and Day out at the Maze to fit in before we finish for the holidays.

During the Summer Term all the children in KS2 go on a residential visit. This is an opportunity for the children to stay away from home and to try lots of new activities. Yr 3 & 4 had a great couple of days at Tower Wood which was in last month's Gateway, but this month we are able to share some photos of them being very active and having lots of fun.

This half term it was Yr 5 & 6's turn who went off to Whithaugh Park, an outdoor activity centre in the Scottish Borders. We went with children and staff from Old Hutton School - 45 in total, and spent 4 days living in wooden lodges and making the most of the amazing facilities which were all on site : canoeing, gorge walking, swimming, abseiling, orienteering, high/low ropes courses, zip wire and problem solving. The children made new friends, learnt new skills, organised themselves and even helped in the kitchen! As you can see we had a great time and have already booked to return in 2021!

Wednesday 3<sup>rd</sup> July is our Sports Afternoon on the school field. This will be a mixture of team games and traditional races and starts at 1.15pm if anyone would like to come and watch.

On the 5<sup>th</sup> July our Art Exhibition in the Heron Theatre opens with a wide selection of artwork and sculpture on view. Some pieces will be on sale, including a range of handmade cards and bookmarks. The exhibition is being held to raise money for our 'twin' school in Senegal, Ataba Tabar who badly need some of their classroom rooves repairing. The exhibition will be open to the public on Tuesday 9<sup>th</sup> July between 11am - 1pm, when we have 2 VIP guests, artists Fiona Clucas and Tracey Levine. Please do pop in and look at the super exhibits produced by the children and perhaps buy something or make a donation to help our classmates in Senegal.

Our Summer Production 'A Whole New World' has 4 performances in the Heron Theatre on Wednesday and Thursday 10<sup>th</sup>/11<sup>th</sup> July at 2pm and 6.30pm. The show has a focus on 'Climate Change' and features dance, song, music and acting. Tickets are limited so please contact school if you would like to attend one of the performances.

Wednesday 17<sup>th</sup> July is a very special day for our children in Yr 6 who celebrate their time at Beetham with a service in church at 2pm. This is a chance for us to congratulate Emily, Erin, Harry and Oliver and wish them all the very best for their move to secondary school. Please do come and join us for this service as everyone is welcome.

It only remains for me to wish you all a lovely Summer from everyone at school and thank you for your continued support during this academic year.

With Best Wishes  
Wendy Nicholas

# Beetham Band

Summer is a comin' in, well this week at least. Our performances during the Flower Festival weekend are a sweet memory as we set our stall out for our forthcoming engagements. Which are as diverse as the band itself! Beginning with a performance in Preston, then a charity garden party, and of course the grand celebrations to mark 100 years of Beetham Sports Day. An occasion not to be missed.

Throughout August anyone is invited to join in our Saturday morning sessions at 10.30am in Beetham Church, to meet us and ask any questions. You don't need to bring an instrument, although anything is welcome, absolutely any instrument. We are proud of our eclectic mix, and that's just the players!

There are no joining fees or subscriptions, just music, fun and friendship. For any further information please call Tess on 015395 63254.

## Beetham CE School Ascension Service

The whole school came into church for a special Ascension Day service on Monday 3rd June. Led by Mrs Stirrup, Mr Smalley and Ms Nicholas the children joined enthusiastically in the music, prayers, stories and questions, including learning about saying goodbye in different languages

The children then went outside to release a balloon, and they waved and said their goodbyes in English, French and German as the balloon ascended above the church and disappeared

### Beetham Church Choir

Do you enjoy singing?

Beetham Church has a robed choir that is always looking for enthusiastic new members. Under the enjoyable guidance of our musical director and organist Geoff Field we have an expanding repertoire of anthems and hymns for Sunday Morning worship and special Choral Evensong Services

The choir practice time is changing from 28th July to Sunday mornings between 9.30-10.30am in church. Please come along and join us - more altos, tenors and basses would be particularly welcome!

### The Friends of Beetham Church

The Friends of Beetham Church would like your help for Beetham Sports Day! We are looking for the following:-

- ~ empty jars with lids (for the Sweet Tombola)
- ~ children's small Bran Tub gifts
- ~ preloved books

Please bring any items to church and give them to a member of the Friends Committee

We also need volunteers to help on the day. Please come and support us - it really is a great day out!

### Old Beetham Post Office Tea Room Recipes

We are delighted to announce that Lorraine and Huw Morton have been persuaded to share some of their favourite Tea Room Recipes in their very own cookery book

The book features a collection of twenty of their most popular recipes for soups, savoury tarts, and deliciously mouth-watering cakes and desserts, divided into the four Seasons of the year. It will be available later this month from the Tea Room and will make an ideal 'must have' gift (or just keep it for yourself!). The Parish Council is delighted to report that Mrs Linda Dean, a Beetham resident, has accepted the challenge to set up and lead a Community Resilience Group. As the first step in this process, our County Council representative, Cllr P McSweeney, has asked CCC for advice on how this can best be done and we are all eagerly awaiting its response. Hopefully this whole process will be complete before winter is upon us again and we are faced with a recurrence of flooding problems. Another step to deal with emergencies is the defibrillator project. Regrettably, this is taking an inordinate amount of time to set up because we want to ensure that we provide the best equipment available and that it complies with all best practice guidelines but we really are now almost there. As an extra precaution, and from the outset, Community Heartbeat Trust will take responsibility for the Stanley Street phone kiosk, where it is to be housed, and local First Responders are all set to make use of it as and when required. Funding for the project will come from the recently received community infrastructure levy.

A shortage of car parking at Beetham crematorium continues to represent a worrying road safety issue on the A6 when two or more funerals overlap or a large number of people attend a specific cremation. Fishwicks are working with SLDC to deal with this. The longstanding water-surface problem in Leighton Beck Road is now actively being investigated by Highways, although there is no simple solution. The recent wall rebuild on the B5282 at Sandside has resulted in many criticisms from the public, with Highways citing cost as the reason why aesthetic issues had to be sacrificed; hopefully the appearance will improve with time. On the other hand, the new handrail on the path between Burntharow and Shaw Green, Storth, provided by an anonymous donor, has been warmly welcomed. Residents will also be delighted that a new bus service between Arnside and Milnthorpe has been launched by a local group and a Beetham PC member has agreed to join the steering committee of this group. Other current issues are the resurgent problem of car parking on Stanley Street, Beetham, and the poor state of repair of the Beetham stocks; action is in hand with both these things. The danger of traffic exiting Storth Road at its junction with the B5282 has long been obvious; the idea of installing a convex mirror at this location is being investigated as a possible solution.

As a result of the 2019 elections, when two long-serving Beetham PC members stood down, there are once more vacancies on the parish council – one in the east ward (Beetham/Hale/Farleton) and one in the west ward (Storth/Carr Bank). The law requires that these vacancies be filled as soon as possible. Anyone interested in being co-opted as a parish councillor for the remainder of the current four-year term should contact the Clerk – contact details above. As well as advising SLDC on local planning matters, the work of the parish council includes involvement in many other matters, as this newsletter illustrates. Little time is involved (monthly meetings) and the benefit to the community can be invaluable.

### Beetham Parish Council

The next meeting will be on  
**Monday 1st July at 7pm**  
in Storth Village Church

Members of the public are welcome to attend  
Minutes of previous meetings can be found  
on the website at [www.beethampc.co.uk](http://www.beethampc.co.uk)

### Beetham Parish Council NOTICE OF VACANCIES ON THE COUNCIL

Following the May 2019 elections, Beetham Parish Council has one vacancy in each of its two wards, **West & East**, for co-opted councillors for the remainder of the current four-year election period.

If you would like to be involved in the interesting and valuable work of the Parish Council you would be most welcome. To apply, or for more information, please contact the Parish Clerk **before 20<sup>th</sup> July, 2019**.
