PARISH MAGAZINE OF
ST MICHAEL AND ALL ANGELS, BEETHAM

OCTOBER 2019

Dear friends,

*'Come, ye thankful people, come, raise the song of harvest home;
all is safely gathered in, ere the winter storms begin.
God our Maker doth provide for our wants to be supplied;
come to God's own temple, come, raise the song of harvest home.'*

The arrival of October heralds a reminder that the days of summer have now past, winter is on its way and the daily round of everyday life has resumed. The autumnal months are then a perfect opportunity for making preparations, taking stock and taking time to reorder our lives around what really matters. These are all themes with form part of the Church's understanding of the 'Harvest Thanksgiving' – a time to offer ourselves afresh to the service of God, to respond in gratitude to his generosity and to recall that every good gift comes from God who is the source of all things. We have many opportunities to offer our thanks here in our parish of Beetham, whether that's the Harvest Supper, the School Harvest Festival on Friday 4 October at 9.15am or indeed on Sunday 6 October at the Parish Eucharist or through Songs and Readings at 6.00pm. Please do come along if you can to any or all of these, assured of a warm welcome.

Since the very beginning Christianity has emphasised that the whole created order demonstrates the wisdom, goodness and holiness of God, and our Harvest celebrations are an invitation for us to remember this fact. Our contemporary celebration of the Harvest is in fact a more modern addition to the church calendar, within its origins traced to Morwenstow (the most northerly parish in Cornwall) in the mid-nineteenth century, a popular practice that was officially recognized by the Church of England in 1862 and has continued to this day. In doing so it joined the other (less well-known) periods of the year set aside in the calendar to celebrate our thanks to God for his gifts in creation, the others being Plough Sunday (First Sunday of Epiphany), Rogationtide (three weekdays before Ascension Day) and Lammastide (1 August).

In this country, our society and culture, have gradually moved away from being so dependent on the land for our daily living. The globalisation of the world has meant that often regardless of the season we can have access to the fruit, vegetables and foodstuffs we desire. As a result, we do not live as 'close' to the land as perhaps our ancestors did, for whom the toil and labour of rearing and caring for animals, of preparing, ploughing, sowing and reaping were of much greater importance. Of course, this is still true today in many parts of our world where the variableness of the weather and the effects of climate change mean hardship, poverty and suffering for so many whose lives are tied to producing enough food just to survive. Just as we give thanks at Harvest for the bounty we enjoy it should also be a stark reminder of our duty to others in our world who are not as fortunate; and that together we share a common humanity gifted to us by our heavenly Father. We have the opportunity to remember this by giving generously to the work of the Bishop of Carlisle's Harvest Appeal which once again this year will support the excellent projects being furthered for our neighbours in Malawi and South Africa.

This is why in so many of prayers and hymns that are spoken and sung at this time of year we are instructed to see our Harvest thanksgivings as a way for looking afresh at our lives of faith and service and in our stewardship of the gifts that God has entrusted to us. Just as the fields are ploughed, the seed is scattered and the harvest is reaped, we are encouraged to plough, sow and reap in our lives the fruits of faith promised us through the Holy Spirit: love, joy, peace, patience, kindness, goodness, faith, gentleness and self-control (Galatians 5:22-23). May our thanksgiving for the good gifts of God this Harvest-time inspire us to be generous and mindful stewards of all that he has entrusted to us and may the Lord lead us into greater care, concern and indeed love, for our neighbours both near and far.

With every good wish and prayer for God's blessing,

Andrew

**100 Days of
Listening**

Following on from the **100 Days of Prayer** begun in
June, 18th September marked the start of **100 Days of
Listening**, which ends on Christmas Day - listening to
God, to one another, to our churches and communities.

Over the 100 days individuals and groups across
the ecumenical county of Cumbria will have an
opportunity to review the current strategic plan,
identifying and prioritising the revisions they feel are
needed to continue to lead, guide and grow God's
Kingdom in Cumbria from 2020 to 2025.

Everyone will have the opportunity to feed in their
thoughts and answers to prayer via an online survey or
via a workshop, and details will be made available in
church.

School Corner

Welcome to our first School Corner of the new academic year at Beetham CE Primary School. We have had a great start to the year with 7 children starting in our Reception Class and 7 in Nursery. All our children have been getting used to new classrooms, new teachers and different routines which makes the start of the year an exciting time for everyone.

It has been lovely to welcome Father Andrew to our school family. He has visited Celebration Assembly and also spent a whole day in school getting to know the children and staff. He visited lessons and particularly enjoyed making a clay mummy which was part of an art workshop on Ancient Egypt. Father Andrew also took part in our KS2 RE lesson where the children were thinking about Noah and why he was chosen by God to build the Ark.

We spent a super day at the County Show, despite the weather. The children enjoyed seeing all the fabulous animals, finding out about local crafts, learning about the emergency services which play such an important role in our area and trying lots of different activities at the many stalls and displays.... And splashing in the mud of course!!!

Our children in Nursery and Reception have started back with the very appropriate topic of Ourselves. They have been learning about how to keep themselves clean, the names of the different bones in the skeleton and thinking about what is inside their body.

KS2 are getting to grips with Forces in Science and thoroughly enjoyed designing, making and testing different parachutes. In History their study of Ancient Egypt is proving very exciting with a visit to the recreated Tomb of Tutankhamen to see what artefacts were placed inside it and what they could tell us about life at that time.

In PE Yr 1 & 2 are looking forward to taking part in a fun football event at Dallam School and KS2 are preparing for their annual Canoe Day on Windermere - photos and a full report next time!

We have lots of new clubs this term - Sport Club, Colouring Club, Drama Club and Gardening Club. The Drama Club are working on an Ancient Egyptian play which they will perform later in the term and the Gardening Club have been enjoying finding signs of Autumn and learning the names of the different trees and seeds - they have made a lovely display in our school entrance

I hope that you enjoyed finding out a little more about our very enthusiastic and well qualified Governing Body in last month's School Corner. Our Governors are returning to their important work this month following a well-earned break over the summer. At the forthcoming meetings they will be discussing all aspects of school life including the School Improvement Plan, Pupil Progress, Curriculum Planning and Personal Development and Wellbeing for everyone at school. We are very lucky to have such a dedicated and professional group of governors who give their time so willingly to help support and develop our school.

Finally, an invite to our Harvest Festival which takes place in church on Friday 4th October at 9.15am. We are supporting Manna House, the centre which helps the homeless in Kendal, again this year and will be celebrating harvest with a service of readings and music. Please do join us if you are able to.

Best wishes
Wendy Nicholas and Everyone at Beetham CE Primary School

Beetham WI's success at the Westmorland Show

A good turnout at our September meeting to listen to the Reverend Ian Greenhaigh tell us about his career and particularly fascinating was how the Military Chaplains, with their family support, are moved around the world, often to the front line of world conflicts at short notice.

At the very wet and muddy Westmorland Show this year, Members hard work in preparing and submitting a wide variety of exhibits to the WI tent paid off with **Beetham WI** winning the **Golden Jubilee Plaque** (for the WI achieving the most points) for the 3rd year running,

For the **Gladstone Trophy** (for members winning the most individual points) Beetham came on top again with **Alison Warwick** coming 1st, Louise Tomlinson (our President) getting 2nd place and Frances Irving 3rd. Congratulations to them all and to everyone who helped with the preparation of the WI exhibits.

A 'Dutch Market' was Beetham's 'Market Place' table top entry (photo) in which members worked hard in contributing different crafts and food/drink items, some of which won individual stars. It shows, yet again, what a wide variety of talent Beetham WI members have between them.

Guests and new members are always very welcome to attend our **monthly meetings** which are held in the M:Hub in Milnthorpe on the **first Tuesday of each month** and, in addition, **Craft Evenings** every two months. Look out for the posters around Milnthorpe and soon to be displayed again when our newly built WI Noticeboard is put into place outside the Old Post Office in Beetham.

BEETHAM PARISH COUNCIL NEWSLETTER
ISSUE No 38 JULY - SEPTEMBER 2019

The Beetham Flood Resilience Group is now up and running. Useful contacts have been made with similar neighbouring groups, including Kendal, and Beetham PC has promised funding assistance when this came to be needed. Unfortunately, but as we already knew, the Environment Agency hold out no hope of being able to undertake any major works for the foreseeable future. Better news regarding the proposed defibrillator at Beetham – this is now installed and linked to the national ambulance system. Whilst we hope it will never be needed, we must all appreciate that, if it saves one life, it will have been worth all the effort and cost involved.

There have been no developments regarding the road traffic problem associated with Beetham crematorium. Traffic congestion has continued and is likely to get worse as increasing use is made of this facility. More parking is needed at the facility, and was provided for in the original planning application, but rejected by SLDC Planning on adverse visual grounds. However, it is hoped that the planners will now agree to this restriction being waived in the interest of road safety. Another traffic problem concerns Stanley Street in Beetham. As Beetham residents are already aware, there has long been a shortage of parking space for their personal vehicles and those who live in Stanley Street have to contend with extra parking demand when there are evening performances at the Heron Theatre. The Parish Council has considered a number of options to solve this problem but, like so many of the problems it is asked to deal with, there is no easy answer. Stanley Street is a public highway and the suggestion of making it a ‘residents only’ parking zone would require it to be policed – which cannot be done in the evening.

If any further proof were needed of the hazard presented by the Storth Road/B5282 junction it came in dramatic form just days ago. During the morning of Friday 11th September, Cllr Brian Meakin and the Parish Clerk met at the site to consider the size and possible location of the convex road mirror that the Parish Council had agreed to purchase and install. This involved walking along the verge to check alternative posts supporting the metal barrier. Within an hour of completion of this survey, part of this barrier was severely damaged and some posts knocked over when a commercial vehicle approaching from Arnside ran into it in an effort to avoid a car exiting Storth Road – just where the BPC representatives had been standing! The mirror is now on order and will be fixed in position as soon as it arrives.

We are happy to report that one of the vacancies on the Parish Council has now been filled. Brian Dean of Beetham has agreed to fill the East Ward vacancy and, as previously reported, Brian’s wife Linda has already offered to lead the Beetham Flood Resilience Group. They live in Parsonage Fold, Beetham, one of the critical areas for flooding, so we are hopeful of improvements there.

Finally, BPC has agreed to support in principle, but not financially, a Public Right of Way application by nearby residents for Highcote Back Lane, Slackhead, provided the application is fully researched and presented in a professional manner.

Clerk: Mr J R Scargill 01524 782811
Chair: Dr B C Meakin 015395 65722
