# THE GATEWAY

PARISH MAGAZINE OF  
ST MICHAEL AND ALL ANGELS, BEETHAM

SEPTEMBER 2019

Dear friends,

This comes with my warmest greetings and prayers to you all as together we begin a new chapter in the life of our church and parish. It seems a little while ago since my move to Beetham at the end of June and then my Licensing as Priest-in-Charge in mid-July but everything at the moment still seems very new and exciting as I settle into the routines and rhythms of ministry amongst you and alongside you. The welcome that I received upon my arrival (and that I continue to receive now) from neighbours, church and the wider community has been truly humbling and a good mark of the hospitality and generosity that I believe God asks us to demonstrate in our daily lives, so that others might know and experience the love he has shown us in the face of Jesus Christ.

At the heart then of the Church's life should be seeking after the flourishing of all in our community and that the work and witness of St Michael and All Angels should be good news for the people and parish of Beetham. I hope and pray this flourishing and transformation will be seen here in the coming months and years as together we work for the good of all, remembering in all things that God is interested in every part of human life and endeavour.

As such, in this first letter for The Gateway I want to reflect upon two things:

Firstly, to offer my sincere thanks to the contributions small or great that each and every person makes to the life of this parish and community – through your prayers, your service, your generosity and your faithfulness. It has been and continues to be greatly appreciated. At my Licensing we heard read Chapter 12 of St Paul's Letter to the Romans where we are reminded that the Church, as the body of Christ here on earth, is made up of many members; so that even though we don't all have the same function, each of us is important for the building up of each other. This is a prayer that I hope will frame this new season here in Beetham, that together we will remember our common calling in Christ to be members of his body; to support one another and seek new ways in which we can draw others into fellowship of the God whose love in Jesus is constant and unwavering.

Secondly, I also want my arrival here as your parish priest to be a challenge to each and every one of us, acting as an opportunity to examine how we respond to the changes and joys that will lie ahead. As Bishop James preached at my Licensing, to be obedient to the words of Jesus means that life will involve change, and so each of us has to be ready to examine what we already do for the Lord and be found willing to be called to do the new things that he may ask of us. Again, this depends on us having the assurance that together we are members of the same body, so that each of us knows that we can always do more together than we can do individually. Since, to follow in the way of Jesus Christ means reorienting our life in response to the grace, mercy and love we know that God has for us and for all people. A way of life that doesn't simply seek to establish our own good and welfare but more beautifully the flourishing of all, where all in our community can be nurtured and encouraged to fulfil their God-given potential.

Let us pray that that will be the case here in the parish of Beetham as this next chapter in the Christian ministry of this area begins, that together we will remember what the Lord has already wrought within us, the mission that he has entrusted to us, and that by the power and inspiration of his Holy Spirit, he will make us worthy of that calling.

With every good wish and prayer for God's blessing,

Andrew

## Installation of The Revd Andrew Bryan Norman

The Licensing and Installation of the Revd Andrew Norman took place at St James' Arnside on Friday 12th July

In a packed church of family, friends, clergy, and past and present congregations, the Licensing was conducted by the Right Revd James Newcome, Lord Bishop of Carlisle. This was followed by Andrew's Installation as Priest-in-Charge of Arnside & Storth and Beetham Benefices by the Venerable Vernon Ross, Archdeacon of Westmorland and Furness

Our thanks go to the Rural Dean, the Revd Anne Pettifor, for co-ordinating such a moving service, and to St James' Arnside for hosting the evening. Particular thanks go to the churchwardens from both Parishes for their hard work in organising the invitations and logistics for the event

Special thanks also go to Geoff Field, our Director of Music and organist, for rehearsing a combined choir from Beetham and Arnside, and for filling the church with such glorious music for the service. The spirit of co-operation between the churches was also evident in the shared readings and participants, the lovely flower arrangements adorning St James led by Dianne Lomax, and the joint contributions of refreshments following the event. We wish Andrew every blessing as he settles into our communities and ministry here

## Promoting a safer church

Beetham PCC has formally adopted the House of Bishops Safeguarding Policy for children, young people and adults.

### OUR COMMITMENTS

- Promoting a safer environment and culture
- Safely recruiting and supporting all those with any responsibility related to children and vulnerable adults
- Responding promptly to every safeguarding concern or allegation
- Caring pastorally for victims/survivors of abuse or other affected persons
- Caring pastorally for those who are the subject of concerns/allegations of abuse and other affected persons
- Responding to those that may pose a present risk.

Our Parish Safeguarding Officer is Sue Smalley who can be contacted on 015395 64778. Helplines are published on the church porch noticeboard, and full details of the policy can be found on our website at [beethamstmichaelandallangels.co.uk/?Safeguarding](http://beethamstmichaelandallangels.co.uk/?Safeguarding)

It is hard to believe we are in September. The summer has flown by. Beetham Community Band is two this month and continues to flourish. We have been performing at various venues, and during differing weather conditions. All for charity, community and fun.

As the year begins to roll towards its end, we must look to the festive season. (I cannot quite say the word yet). This is a PERFECT TIME to come and join us. Familiar tunes, plenty of support and encouragement, and

fellowship through music. It is quite unique. So come along with any instrument or take one up. There is nothing to lose except stress and all to gain in unexpected ways.

For more information feel free to call me for a chat or pop into St Michael & All Angels Church, Beetham, on Saturday mornings from 10.30am..... you know you want to!

Call Tess on 015395 63254

## Beetham Church Heritage Trust (BCHT)

Beetham Church Heritage Trust was formed in 2001 in order to provide a future safeguard of finance for the sole benefit of the fabric of the church building and grounds. The Trust can also be in a better position in emergencies to seek external contributions towards costs of replacement and repair.. It is an independent charity from the PCC, of which members cannot also be members of the Trust, although for a while this was not so and a Conflict of Interest resulted.

The initial Trustees were Rev. Ian Davies, Rosemary Tryon-Wilson, Pamela Houghton and Geoffrey Thompson. The current Trustees comprise Alan Beaumont (Chairman), Dennis Wright (Treasurer/Secretary), along with Gail Crabb, Anne Clarke and Colin Clarke.

Our regular funding comes mainly from the efforts of The Friends of Beetham Church, by way of subscriptions, and the various "efforts" which they organise. Over the past twelve months seven events have added to the coffers of BCHT. When I have expressed our gratitude to Friends committee members I have often received the reply "We only do it for the fun". That maybe the case but the fringe financial benefits are mighty useful. The PCC also gains directly from the Friends' efforts. The whole of the church community greatly benefits from the work of the Friends organisation and I take this opportunity to publicly extend our gratitude to them. Long may it continue.

Alan Beaumont

## Beetham Bellringers World Tour - Part 4

The latest leg of our Ringing Grand Tour did not require a cross-county passport this year, as the ringers decided to head west in July and to stay in Cumbria.

On a lovely sunny day, the first tower was an eight bell ring at St John, Flookburgh, where we warmed up for the day - literally - with a variety of methods. It was then on to St Mary's at Dalton-in-Furness, where a ten bell ring enabled all of us to ring at the same time - not easy with the tenor bell weighing twice as much as the Beetham tenor, but great fun!

This was followed by a very welcome lunch at the Brown Cow in Dalton, then suitably refreshed we completed the tour by ringing the six bells of St Mary's at Great Urswick (pictured above). We are already planning our next leg if anyone would like to join us...

**Sarah Easton** - Associate Governor

What an amazing year - I have learnt about Roman mosaics, the artist Kandinsky and the tallest mountain on each continent..... my Thursday afternoons have been spent supporting Art and DT sessions with years 3, 4, 5 and 6. It has been a wonderful way to learn about education in its widest sense and also to observe a curriculum area in fine detail. Being a governor is not all about balance sheets and Head Teacher reports!

**Kirsty Klijn** - Staff Governor

I have worked at Beetham C E Primary School as a part time Key Stage 2 teacher for 8 years now but began my teaching career over 25 years ago. I was born and brought up in Surrey and moved to Cumbria in 1990 when I went to teacher training college in Ambleside. I have had the pleasure of being on the governing body for over 4 years now as a staff governor; serving on the Curriculum and Staffing committee. My role includes representing the staff views and helping answer questions regarding curriculum, teaching and learning. It is a pleasure to work alongside such a supportive team of governors who do everything possible to help ensure the school continues to thrive.

**Dennis Wright** - Foundation Governor

I have been a foundation governor of Beetham Primary School for two years and it has certainly been an interesting and rewarding experience. Having lived in Beetham since 1980, having two grandsons educated at the School and my family having previously owned the Wheatsheaf for 37 years, it has been a rewarding experience giving up some time to get involved with Beetham Primary School. Two of the most recent highlights for me were the children's visit to the Strickland Farm Experience and also to the Leighton Moss Bird Reserve, which everyone thoroughly enjoyed. The children, as usual, were impeccably behaved and these were two marvellous educational days for both children and governors, organised by the brilliant teaching staff at Beetham School.

**Wendy Nicholas** - Headteacher

I have been at Beetham for 15 years and am very proud of our small but very special school. Each year brings new children, new staff and new challenges which ensures that our school is continually changing, improving and building for the future. My role on the Governing Body is to provide the governors with up to date and relevant information about everything that happens at school from Pupil Progress to Health and Safety, Teaching and Learning to Safeguarding. Governors receive this information in the form of a termly report prior to our Full Governing Body meeting. This information enables governors to ask searching and challenging questions, request more detail where necessary, make suggestions for improvements and offer practical support if needed.

Over the last academic year there have been many changes at school: We have appointed new staff, had a fantastic new classroom installed in our garden, begun to develop our new school field and increased our nursery provision to 30 hours per week. Governors have been involved in all of these changes in many different ways either using their areas of professional expertise or by providing hands on practical support. I feel very privileged to work with such a dedicated, enthusiastic and supportive group of governors and staff. Together we keep the education and happiness of the children at Beetham at the heart of everything we do and this makes our school a happy and exciting place to learn and a great place for everyone to make friends and have fun.

**Viv Stirrup** - Foundation Governor

I am a Licensed Lay Minister for St. Michael & All Angels and have been a Foundation Governor for Beetham Primary School for over four years. I am also the Chair of the Staffing and Curriculum Committee. Church links with the school are strong and this is an important relationship which will continue into the future. With a background in further and higher education, I find it a joy and a privilege to work alongside staff in our joint aim of maximising the fullest potential in every child.

# Governors School Corner

**Brian Smalley** - Local Authority Governor

Following a working life as a secondary schoolteacher, I have been a governor in C of E Schools for over 20 years. I am currently chair of the Community and Welfare Committee, looking to continue and develop the existing strong links between the school, church, and the wider community. My highlight of the year has to be the school's contribution to the commemoration of the 100<sup>th</sup> Anniversary of the 1918 Armistice.

The Celebration Assembly held in church that week gave us the opportunity to unveil one of our 'There But Not There' figures, representing all those who had left their homes and families to answer their country's call. Pupils helped to place the figure directly in front of their own commemorative display, and 'Poppy Wall', and designated that figure, 'The Beetham School Tommy'. A visit of the Royal Lancashire Fusiliers to lay a wreath at the War Memorial and gave the pupils the opportunity to talk directly to the old soldiers. The enthusiasm, knowledge and politeness of our pupils so impressed the Fusiliers that we later received a very complimentary letter of thanks from their leader. And then, on the Sunday evening, the performance of 'We Will Remember Them' by a large group of pupils during our service of 'Remembrance, Reflection and Reconciliation' crowned a glorious weekend during which the close links between the school, the church and the wider community were highlighted and strengthened.

**Jenny Marks** - Foundation Governor

I have been a Beetham Governor for four years - currently serving on the Finance Committee - and a volunteer with reading, school trips, and after-school clubs since retiring from the mayhem of the corporate world in 2014. I never expected to be climbing rope walkways, going into caves, dressing up as a Roman or Tudor in Carlisle, eating ice-cream in one hand whilst trying to catch a ball in the other in Grange, enjoying music every time I walk into the school, or smiling at the delight on the children's faces as they were mesmerised by 'Swan Lake' in London. The searching questions from the children on trips or when they come into church are a testament to the enquiring minds and Christian Values that are nurtured by the staff. Outstanding!

**John Lomax** - Foundation Governor

I've been a Governor for some years now and am currently Chair. My background was as a secondary schoolteacher and Headmaster (in the previous century!) so to be involved in Primary education has been a new and pleasurable experience. The Governors are all delightful people to work with and our meetings get the important business done in an open happy atmosphere which makes for inventive problem-solving - yet always with plenty of time for laughter! Despite being born and bred in the London area, I've lived in Beetham for 33 years now. In all that time, the sense of community in the village and School has never seemed to me as vibrant as it is now!

**Tess Rowlands** - Foundation Governor

My name is Tess Rowlands and I am very proud to be a Foundation Governor at Beetham C of E Primary School. I have had many years experience as a parent governor and a co-opted governor, at both primary and secondary schools. There is a great deal for me to learn about Beetham school as it is very different from the schools I have been involved with before, but it clearly is a very special place indeed.

**Christos Christou** - Parent Governor

I am part of the Board of Governors and I currently chair the Finance Committee. I am also Chairman of a North West property group, The Lakeside Hotel & Spa and YMCA Fylde Coast (which includes YMCA Lakeside). I have taken great pleasure and pride in being able to assist in the development of the school by seeing the acquisition of the Sports Field, the development of the Beehive, the Lodge and more recently the soon to be front access lobby area (must come up with a better name for this - proposals on a postcard to the editor please!). I have the staff at the school and my fellow governors to thank in helping the school to achieve these improvements while maintaining a sustainable balance sheet! I am very excited when I consider what improvements the next few years bring.

**Hannah Gardner** - Parent Governor

**Rachel Wray** - Foundation Governor

## Beetham WI Summer News

A very interesting and enlightening talk was given by Colin Kendal from 'North West Blood Bikes - Lancs & Lakes' at our July meeting. This registered charity provides an invaluable service delivering essential blood and urgent medical supplies to NHS hospitals within Lancashire and south Cumbria.

Colin presented many interesting facts about the work that the volunteers undertake including the incredible number of 'runs' they have undertaken since they started in May 2012. It was impressive to hear of the commitment and time the volunteers all give so freely. They are very dependent on charitable support to help provide an efficient, co-ordinated and speedy service, mostly out of hours, which saves the NHS a huge amount of money. More information about this worthwhile service can be found on [www.nwbb-lancs.org](http://www.nwbb-lancs.org)

During the summer, WI members ran a **Bottle Tombola** at the **Beetham Sports Day**, which they all enjoyed despite the rain! During August some members got creative at the 2-monthly Craft Evening at the M:Hub - and also enjoyed a day out together at Fairfield Mill, Sedbergh.

They will meet again at the **M:Hub**, Milnthorpe on **Tuesday 3rd September (7 - 9 pm)** with a **Talk** by the Rev Ian Greenhaigh about **Military Chaplaincy** followed by tea & coffee. New members are always welcome.

explore how our villages can become even better places to live

**Cumbria County Council**  
11<sup>th</sup> September 7.30 - 9.00 in the Levens Institute.

An opportunity to learn more about making our communities even stronger and meeting changing local needs.

Representatives from Cumbria County Council will join others to help us explore:

- data about our population in the villages around the Kent Estuary
- the techniques and approaches that communities can use to develop their health and resilience
- the support that the local authorities and NHS can offer communities to help them thrive
- initiatives that are underway or planned around the area
- new ways of working from within the local authority and Public Health

The meeting is open to everyone in the area around Arnside, Storth, Beetham, Milnthorpe, Heversham and Levens.

It is hosted by the Kent Estuary Mission Community Development Group.
